

From the desk of Lloyd Carr

Please contact Mentor Michigan this week about becoming a member of my new team.

You have what it takes to be a winning mentor. With just one hour of your time each week, you can change a child's future forever. There is no greater reward than the self-satisfaction that comes with giving back.

Pass it on! Join my winning team this week by visiting **MentorMichigan.org** or call **(800) VOLUNTEER.**
